11/4/18

Ethan,

I hope this letter finds you well + in good spirits. Not much happening around here for now. We plan to leave here Wednesday morning + head South. Indiana is expecting 3 inches of snow + temperatures in the mid 20's. The cold weather doesn't bother me but I can't let the water lines in the RV or the hoses freeze.

The yard here is totally covered with leaves but with all the Rain we've had the ground is too muddy to use the lawn mower to grind up the leaves. This sure has been the wettis year I have ever seen.

What's the weather like ~~at~~ at basic?

As soon as we get to our permanent camp site, we will give you are new Address.

We can't wait to see you, we sure do miss you. I'll close for now + let Mom say a few words, I love you! Hi Sweety hope your fine. If you are getting our letters please try to answer some of our questions so that we have piece of mind and know that you got your boots fixed and you are pooping. Did you get your running shoes? And do you still have Phoenix + Currington as friends.

(over)

Don't worry about doing enough push-ups you will make it by the time you graduation. I hope you do get time off ~~for~~. for Christmas we will be about 143 miles southwest of you in Statesboro GA and will come to the base to pick you up. Can't wait to get out of Indiana to cold for me, Write soon I Love and miss you!!

Love Mom & Dad
